

Pi Omega Quetillion 2018-2019

Participant Application

September 2018

Greetings Friends,

We are elated that you have taken an interested in our Quetillion Program for the 2018-2019 year. The Quetillion Program is a male mentoring initiative geared towards serving young men in the Baltimore Metropolitan area. Through the mentoring initiative the Pi Omega Foundation and Pi Omega Chapter seek to uplift the young men of Baltimore and its surrounding areas through exposing them to various aspects of culture that they often may not receive on a day to day basis. Our efforts are to grow the young men into wholistic individuals, ones successful in any endeavor they choose to embark on whether is social, educational, or business related.

The program started in 2017 has had great success in enhancing the lives of Baltimore youth thus far. The goal for the program is to leave each young man with a seed that will start them on their journey to higher education. In the last year we have provided access to over \$15,000 in scholarship funds to the participants of the program. A significant help in a time where college tuition is highly unaffordable. We as a community must rally around our youth in order to provide them the hand up that is necessary for success. Such is our goal, to “lift as we climb”.

It is with great pleasure that we welcome you to apply for this year’s session. We look forward to another great year with great young men participating. It is our goal to continue to serve our community and be committed to the youth which is our next generations of leaders and difference makers in our society.

Pi Omega Quetillion 2018-2019 Application

Name: _____ Age: _____ DOB: _____

Email: _____ Phone #: _____

Address: _____ City: _____ Zip: _____

High School: _____ Grade: _____ GPA: _____

Short Answer: Please answer the following questions in COMPLETE SENTENCES.
